Book for children provides learning and visual appeal

Life provides various ways to say things, and a child can learn them all. In “Ways To Say The Words You’ve Heard,” a new children’s book by Jennifer Rogala, children are shown numerous ways to say the same thing. The book takes readers through a child’s daily routine using stimulating verse and rhymes.

Attention grabbing to young readers – with bright colors and playful graphics to aide in the reader’s learning and entertainment – the book introduces children to synonyms, silly slang and some incorporated foreign language.

Rogala has worked in the area of healthcare technology for 15 years, including medical technology publishing, and now as a mother writes stories for children. Jennifer lives outside of Boston with her husband, twin daughters and two cats.

“Ways To Say The Words You’ve Heard” is available in softcover (ISBN 1-58939-864-5) from Virtualbookworm.com, Amazon.com and [Barnes and Noble.com](http://BarnesandNoble.com). The book can also be ordered from most bookstores around the United States and the United Kingdom. More information can be found at the author’s official website, www.jenniferrogala.com.
